## I. Why use Voki Classroom?

Voki Classroom is designed to help teachers manage students' work. Teachers can use this tool to assign classwork and homework to students and review their submissions in real-time, either from desktop or mobile device, allowing for a convenient and organized way to assess their knowledge of a topic. Voki Classroom makes it easy to add a tech component to any assignment, by calling students to express their thoughts with a Voki avatar. Students are each given a unique login, so there's no need for them to register or provide personal information.

## II. Registering for Voki Classroom

If you already have a Voki Basic account, see **Upgrading** below. To gain access to Voki Classroom you must purchase a subscription. Complete the following steps:

**Tip:** To ensure Voki emails arrive in your inbox, add [notifications@voki.com](mailto:notifications@voki.com) to your safe senders list.

1. Visit [www.voki.com](http://www.voki.com) and navigate to the [Pricing page](#)
2. Choose a subscription level and click "**15-Day Trial**" under the level of your choice. A pop up window will appear; click "**15-Day Trial**" again underneath your preferred plan (monthly or annual).
3. Proceed to complete the registration form (name, email, and password) and accept Voki's terms of use. Click **Continue**.
4. You will then be directed to the payment page where you can input your credit card information and activate your paid Voki subscription.

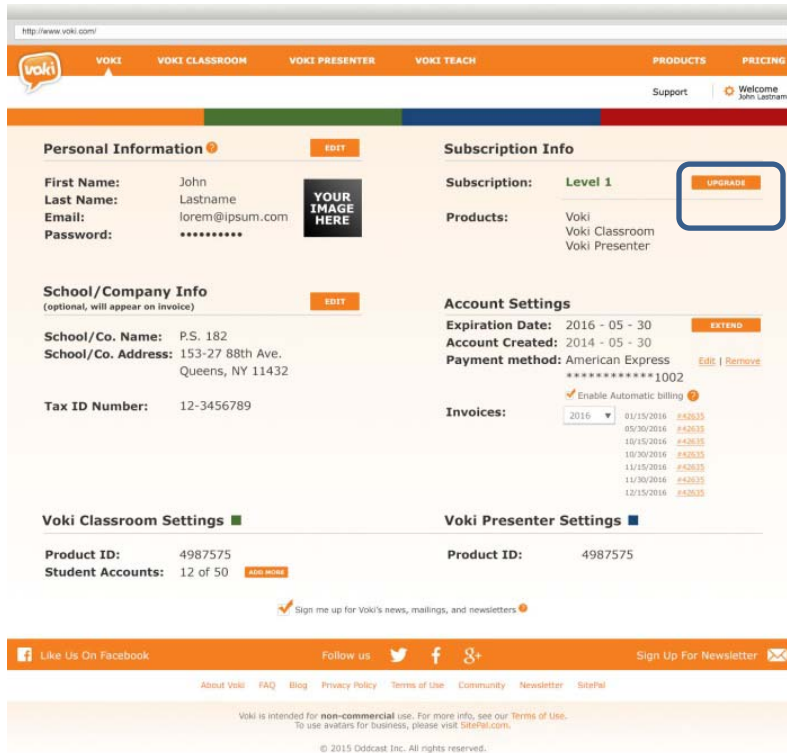

**Please note:** The secure payment page is on PayPal but **you do not need a PayPal account to complete your purchase.**

### III. Upgrading

You must be logged in to upgrade your Voki account. Please create a new account if you haven't done so already or login to your existing account. Once you are signed in, there are two ways to quickly upgrade your account:

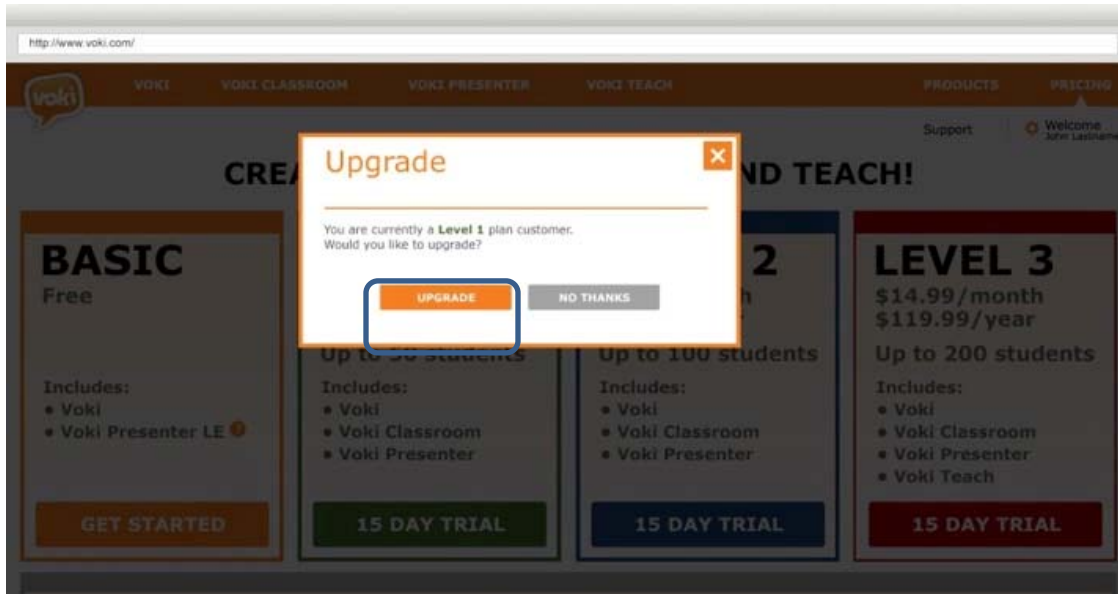

#### 1. Upgrade from the "My Account" page

- A. Open the [My Account](#) page and select **Upgrade** on the top right.
- B. Choose an upgraded subscription and select **Continue**
- C. Enter and submit your payment information to complete upgrade

## 2. Upgrade from the "Pricing" page

- A. Visit the Voki [Pricing Page](#).
- B. Select **15 Day Free Trial** under the plan you wish to upgrade to.
- C. On the next screen select **Upgrade** to continue
- D. Confirm your **Upgrade** and select **Continue**
- E. Enter and submit your payment information to complete upgrade

*Note: The secure payment page is on PayPal. You do not need a PayPal account to purchase.*

# IV: Getting Started with Voki Classroom

## 1. Logging in

Once your Voki account is created, you are ready to log in. Visit voki.com and select **Log In** located on the top right of the page.

Select **Classroom** located on the top navigation bar. Once selected, you will arrive on the **Students** page. You can easily view other pages/ areas by clicking on the tabs near the top of the page (i.e. **Students, Classes, Review**).

## 2. Student Section

### A. Adding Student(s)

- i. To add students to Voki Classroom, click the Add Student button.
- ii. To add a single student, type the student's name and click Add. You can also assign the student to one or more classes
- iii. To add multiple students, click the **Multiple Students** tab. Select **Choose File** and upload an **.xls** file with your list of students. We recommend that you download and use our provided template which can be found on the **Add Multiple Students** tab. You may also assign the students in your list to one or more classes.
- iv. When you are ready to add a student or multiple students, click **Add**. You will be brought back to the **Student** page and the new student will now be visible on your list of students.

The screenshot shows the 'Add Students' form with the 'Single Student' tab selected. The form includes input fields for 'First Name\*', 'Middle Name', and 'Last Name\*', with an asterisk indicating that these fields are required. Below the name fields is a section titled 'Assign To Class (?)' with a list of classes: Chemistry (checked), Biology (unchecked), Earth Science (checked), and Physics (checked). At the bottom right of the form are 'Add' and 'Cancel' buttons.

The screenshot shows the 'Add Students' form with the 'Multiple Students' tab selected. It features an 'Import students by uploading a student list' section with a 'Choose File' button and the text 'No file chosen' and '(.xls)'. A link to 'Use this template.' is also present. Below this is an 'Assign to Class (?)' section with a list of classes: Chemistry (checked), Green Frogs (checked), Yellow Birds (checked), Purple Cats (unchecked), and Biology (unchecked). At the bottom right of the form are 'Add' and 'Cancel' buttons.

- B. Edit Student Name** - To edit a student's name, roll over the name you wish to edit and then click the pencil icon that appears. Once you've made your changes, click out of the text box and your changes will be automatically saved.
- C. Edit Student login** - To edit a student login roll over the login you wish to edit and then click the pencil icon that appears. Once you've made your changes, click out of the text box and your changes will be automatically saved.
- D. Edit Student Password** - To edit a student's password, roll over the password you wish to edit and then click the pencil icon that appears. Once you've made your changes, click out of the text box and your changes will be automatically saved.
- E. Remove Student** - You can also remove a student from the list by clicking the white "x" in an orange circle at the far right and then clicking delete. Note: Modifying a student's name will also change their Login, so make sure you provide students with their updated login information.

- F. Print for Class** - This feature lets you print login instructions for your students. Here, you have two options:
  - i. Print 1 sheet for the entire class: This will print a list of logins and passwords for all students. **Note:** *logins and passwords will be visible to everyone viewing the list.*
  - ii. Print individual instructions: This is a more secure option that lets you print individual instructions for each student. After printing these instructions, you can cut out the individual instructions and hand them out.

### Print Class Login Information

**1 Choose the class**

F. Review - After your students have started working on their Vokis, you can also go to the Review section by clicking the Review tab (more on that next).

## 4. Reviewing Student Work

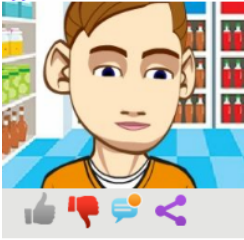

The Voki Classroom **Review** page (shown below) is where you review your Students' work.

Class: Chemistry  Show Hidden

Assignment: Periodic Table of Elem Student: Select options ▶ Text:  Filter

**Chris Ferguson**  
Ready For Review

Submitted : Dec 14, 14:04PM

**Emily Andrew**  
Try Again

Submitted : ---

The most direct way to access the **Review** page is to select the **Review** tab in Voki Classroom. The **Review** page automatically displays this Student’s work for you to review.

However, you can also access the **Review** page via Voki Classroom: **Students** page (when the **Students** tab is selected) and **Classes** page (when the **Classes** tab is selected)

When you are on the Students page, Voki Classroom allows you to review all assignments for an individual Student by clicking the  **Review** icon. For example, to review all of Emily Andrews’ Voki assignments from the Students page, you would click the Review icon next to this Student’s name.

<input type="checkbox"/>	Emily	W	Andrews	ewa99	LKJkIldnc78		
--------------------------	-------	---	---------	-------	-------------	---	---

Similarly, when you are on the **Classes** page, Voki Classroom allows you to review the work for any individual assignment in a given class – also by clicking the  **Review** icon.

When new Vokis are ready for review, an (exclamation mark) **!** will appear on the **Review** icon to notify you. Like so,  .

### Periodic Table of Elements

Due: **Thurs, May 29, 11:59PM**

Create a Voki that explains how your assigned element is.

The **Review** page automatically displays all of the work submitted for this assignment (by the students in your Chemistry 1 Class) for you to review.

When you are on the **Review** page, you can quickly sort assignments by Class, Assignment or by Student.

Class:  Show Hidden

Assignment:  Student:   Text:

[All](#) | [Get Started](#) | [In Progress](#) | [Ready for Review](#) | [Try Again](#) | [Approved](#)

If you want to sort Assignments by:

- Class, then use the Class: drop down to select a Class
- Assignment, then use the Assignment: drop down to select an Assignment
- Student, then use the Student: drop down to select an Assignment

In addition to sorting assignments by Class, Assignment, or Student, the **Review** page also allows you to sort assignments by status (i.e. **All, Get Started, Ready for Review, Try Again, Approved**).

[All](#) | [Get Started](#) | [In Progress](#) | [Ready For Review](#) | [Try Again](#) | [Approved](#)

## 6. Account Management (My Account)

Managing your Voki account and viewing your account information is very easy. Here are the most common tasks you can do in the My Account page:

The screenshot displays the Voki 'My Account' page. At the top, there is a navigation bar with the Voki logo and links for VOKI, VOKI CLASSROOM, VOKI PRESENTER, VOKI TEACH, PRODUCTS, and PRICING. A 'Support' link and a user greeting 'Welcome Gil Sideman2' are also visible. The main content area is divided into several sections, each with an 'EDIT' button:

- Personal Information:** Fields for First Name (Gil), Last Name (Sideman2), Email, and Password. A 'No Photo Available' button is present.
- Subscription Info:** Shows 'Subscription: Level 1' with an 'UPGRADE' button. Products listed include Voki, Voki Classroom, and Voki Presenter.
- School/Company Info:** Fields for Name (test1), Address (test1), and Tax ID Number (1234).
- Account Settings:** Fields for Expiration Date (2016-03-15) with an 'EXTEND' button, Creation Date (2007-05-30), and Payment Method. There is an 'Enable Automatic Billing' checkbox and an 'Invoices' list with a dropdown for the year (2014) and two invoice entries: 2014-04-25 #3069 and 2014-05-10 #3129.
- Voki Classroom Settings:** Fields for Product ID (15181), Student Accounts (0 of 250), Level 1 Limit (50), Legacy Accounts (50), and Purchased Accounts (150).
- Voki Presenter Settings:** Field for Product ID (13902).

### A. Personal Information:

- I. **Profile Picture:** To do this, click on the area where your picture appears, and upload a new one.
- II. **Name:** If, for any reason, you need to change the name of the account holder, simply click Edit next to your name and type in a new name.
- III. **Email Address:** You can edit the email address associated with your Voki Presenter account. Note: This change will apply to Voki, Voki Classroom, and Voki Presenter.

IV. **Password:** You can edit your Voki Presenter password as well. Note: This change will apply to Voki, Voki Classroom, and Voki Presenter.

## B. Account Settings

- i. **Account Expiration:** This field shows you when your subscription expires.**Extend link:** To extend your account, simply click Extend, choose your subscription type (monthly or annual), and continue to the payment page.
- ii. **Creation Date:** This field will show you the date at which your subscription began.
- iii. **Invoices:** Click on the invoice number to access a record of past payments.
- iv. **Subscription Level:** This field will show you which Voki subscription level you are currently subscribed to.

## C. Voki Classroom Settings:

- i. **Product ID:** This field will show you your Voki Classroom products account ID, in case you ever need it.
- ii. **Student Accounts & Classes:** These fields show you how many Student records you have defined (of the available limit).

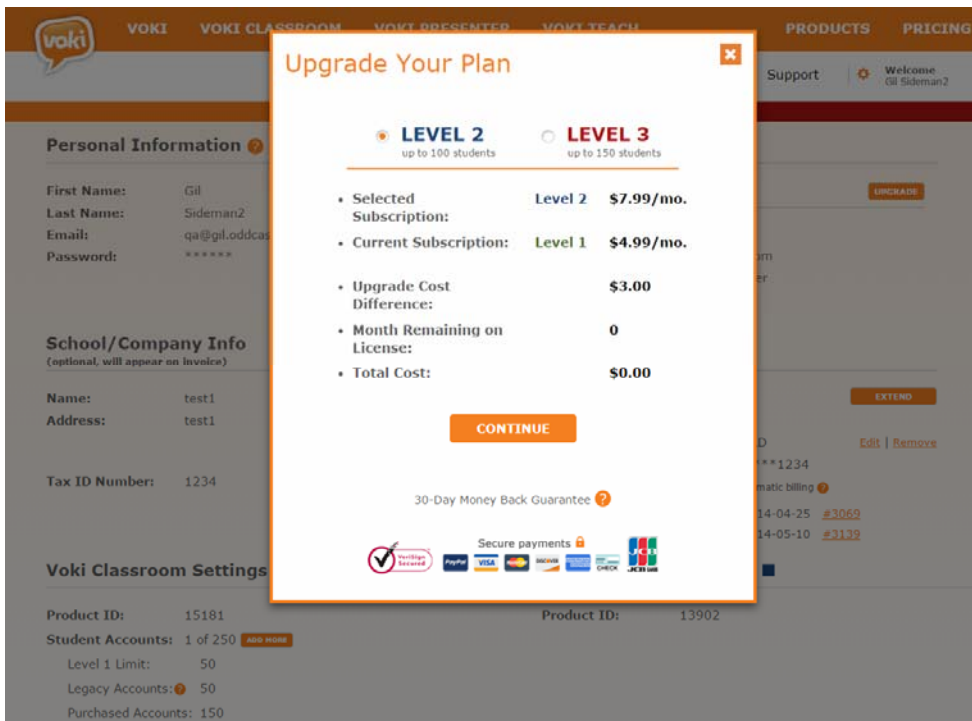

## D. Adding More Student Accounts and Classes:

As mentioned above, Voki subscriptions are based on the number of students managed.

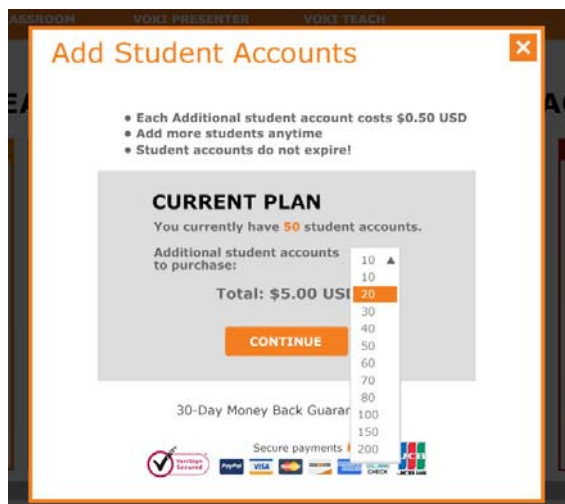

- i. Level 1 includes 50 students

- ii. Level 2 includes 100 students
- iii. Level 3 includes 150 students.

We have found that these limits are sufficient for the vast majority of teachers. If you need to manage additional Students you can easily upgrade to the next subscription level or **Add More** students as needed. Just go to the **My Accounts** page and click **Upgrade** under **Subscription Info** or **Add More** under **Voki Classroom Settings**.

When adding more students individually, each student costs \$1 US.

**How long do the additional Student Accounts last in my account?** Forever. Once you have purchased additional Student accounts, they are now a permanent addition to your account. In other words, your additions will not expire when your subscription expires, and you will not need to re-purchase them when extending your account!

**A note about sharing accounts:** As you may know, each Voki subscription account is intended to be used by one **(1)** teacher. Although some teachers may choose to share their account with another teacher, we do not encourage this, as the account features work best for a single user. To make Voki more affordable for use by multiple teachers, we have included additional multiple-account discounts (an additional 10% discount for 5 to 9 accounts, and a 15% discount for 10 or more accounts). Also, it is more economical to purchase a separate account than to purchase the extra Student accounts needed by most teachers.
